

"First Lutheran Preschool has provided a fantastic introduction to learning for both of my boys. The staff, skilled at fostering an atmosphere of fun education, has truly been a blessing to them. I would recommend First Lutheran Preschool to anyone focused on providing the perfect start for their children"

The Erbert Family

"First Lutheran Preschool provided a safe and fun learning environment for my son. He learned many new things throughout the year and is well prepared for Kindergarten. This preschool is well structured and Christ centered. Mrs. Jensen has many years of teaching experience and does a wonderful job of caring for her students"

Jennifer Reinboth
Day Care Provider and
Early Childhood Major

"I have the opportunity to be a substitute-para at First Lutheran Pre-School. What a delightful time for me! Upon entering this pre-school world, I witness an environment of care, love, kindness and encouragement for each child. The daily routines provide consistency plus time for each child's social, academic, emotional and physical growth. Preschoolers come anticipating another fun-filled day of "growth" and they are not disappointed!"
